Subject: Request: Identification of N-IMAT personnel as "call back" in regional shutdown lists

Importance: High

Dear Assistant Regional Administrators,

As part of the planning for the possibility of a government shutdown at the end of the current CR (ie., April 28th), while remaining optimistic that we will not have to contend with such, and given the mission of the recently stood up National Incident Management Assistance Team (N-IMAT) to mobilize to nationally-significant incidents within 48 hours, where appropriate, we (OEM) are requesting that you place your respective regional members of the N-IMAT on "callback status" in your regional shutdown plans/lists.

Even though it is unlikely that all 44 N-IMAT members will deploy at once in a real-world emergency, it's difficult to tell which members could be deployed based on the scope and location of the emergency in advance. To maximize our readiness to respond, we are requesting that all 44 members of the N-IMAT be added to the "callback status" list in their regional shutdown plans. Should there be a need to activate any component of the N-IMAT during shutdown (i.e., call back into work status), we (OEM) will be sure to coordinate accordingly following Agency process for calling back personnel. Please see the following table for a list of N-IMAT members in your Region:

Region	N-IMAT Members
Region 1	Michael Barry, James Carew, Anthony Honnellio, Kelsey O'Neil, Alysha Thompson, Marcel Belaval, and Marcus Holmes
Region 2	Steve Touw, Michael Solecki, Isabel Rodrigues (Fredricks), and Carlos Kercado
Region 3	Melissa Linden, Michelle Moyer, Terri A. White, and Christine Wagner
Region 4	Steve Spurlin, Serdar Ertep, Brian Englert, and Geoffrey Krieger
Region 5	Steven Renninger, Ann Whelan, and Larisa Leonova
Region 6	George Brozowski, David Gray, Gary Miller, Jon Rauscher, and Matthew Loesel
Region 7	Dave Williams, Michele Miller, Eric Nold, Joe Davis, John Phillips, and Gregory Crable
Region 8	Deirdre Rothery, Eric Steinhaus, Deborah McKean, and Janice Pearson
Region 9	Steve Calanog, Rusty Harris-Bishop, and Jeremy Johnstone
Region 10	Michael Boykin, Jeffry Rodin, Robert Grandinetti, and Jennifer S. Johnson

If you have any questions or concerns with this request, please feel free to contact me at 202-564-7982 or Irizarry.gilberto@epa.gov, or Steve Ridenour (N-IMAT Coordinator) at 202-510-1482 or ridenour.steve@epa.gov.
